CHAPTER 13 PLAN

Select One:

Check if this is an original Plan

Check if this is an amended Plan preconfirmation

Check if this is a modified Plan after confirmation

[REDACTED]

Debtor(s) must check "Included" on each line in the following chart for the provisions related to that paragraph to be effective. If a box is not checked, the Plan does not include the provision, and the provision will be ineffective if set out later in the Plan.

1.1	This Plan contains nonstandard provision(s), set out in Part 8	<input type="checkbox"/> Included
1.2	This Plan limits the amount of a secured claim in Part 3, Section 3.2.2 based on a valuation of the collateral for the claim that may result in a partial payment or no payment to the secured creditor	<input checked="" type="checkbox"/> Included
1.3	This Plan avoids a security interest or lien in Part 3, Section 3.5	<input type="checkbox"/> Included

To Debtors: The presence of an option on this form does not indicate that the option is appropriate in your circumstances. Plans that do not comply with local rules and prior judicial rulings may not be confirmable.

To Creditors: Your rights may be affected by this Plan. Your claim may be reduced, modified, or eliminated.

You should read this Plan carefully and discuss it with your attorney.

If you oppose the Plan's treatment of your claim or any provision of this Plan, you or your attorney must file an objection to confirmation at least seven (7) days before the date set for the hearing on confirmation, unless otherwise ordered by the Bankruptcy Court. The Bankruptcy Court may confirm this Plan without further notice if no objection to confirmation is filed. See Federal Rule of Bankruptcy Procedure 3015. You are required to timely file a proof of claim in order to receive payments under any Plan. If you do not timely file a proof of claim you may not receive any payments under the Plan and funds that you otherwise would have received may be paid to other creditors and a Court could find that you have waived your right to payment of the amounts that would otherwise be due to you under applicable nonbankruptcy law.

[REDACTED]

2.1 Debtor(s) will make regular payments to the Trustee as follows:

\$ 750.00 per month for 60 months;

Plan payments to the Trustee shall commence on or before 30 days after the Chapter 13 Petition is filed. The Trustee's preset percentage fee established by the Attorney General of the United States or its designee shall be deducted from each payment upon receipt and transferred to the Chapter 13 Expense Account.

If the Trustee is paying current ongoing postpetition mortgage payments under Section 3.1 of this Plan, upon the filing of a Notice of Payment Change by the mortgage servicer under Federal Rule of Bankruptcy Procedure 3002.1(b), or a Notice of Fees, Expenses and Charges under Federal Rule of Bankruptcy Procedure 3002.1(c), the Trustee is authorized (but not required) to increase the Debtor(s)' Plan payments to accommodate any increases stated in the notice(s) without necessity of formal modification of the Plan. In the event that the Plan payment is increased by the Trustee under this provision, the Debtor(s) and Debtor(s)' Attorney will be given seven (7) days' notice and opportunity to object to such increase.

2.2 Income tax refunds.

Debtor(s) will timely file all required income tax returns and supply the Trustee with a complete copy (including all attachments) of each income tax return (both state and federal) filed during the Plan term within fourteen (14) days of filing the return and will turn over to the Trustee all net income tax refunds, minus earned income tax credits, received during the Plan term. Income tax refunds shall be paid to the Trustee in addition to the Plan payments stated above.

2.3 Additional payments.

Check one.

None. If "None" is checked, the rest of § 2.3 need not be completed or reproduced.

Debtor(s) will make additional payment(s) to the Trustee from other sources, as specified below. Describe the source, estimated amount, and date of each anticipated payment.
Debtor will pay 750.00 per month from insurance proceeds.

Part 3: Treatment of Secured Claims

3.1 Maintenance of payments on claims secured only by principal residence of Debtor(s) and cure of default, if any.

Check one.

None. If "None" is checked, the rest of § 3.1 need not be completed or reproduced.

Debtor(s) will maintain the current ongoing postpetition installment payments on the secured claims listed below, with any changes required by the applicable contract and noticed in conformity with any applicable rules. The current ongoing monthly payments will be disbursed either by the Trustee or directly by the Debtor(s), as specified below. Any existing arrearage on a listed claim will be paid in full through disbursements by the Trustee, with interest, if any, at the rate stated. Unless otherwise ordered by the Court, the amounts stated on a timely filed proof of claim under Federal Rule of Bankruptcy Procedure 3002(c) shall control over any contrary amounts stated below with respect to the current installment payment and the total amount of arrearage. If relief from the automatic stay is ordered as to the principal residence listed in this paragraph, then, unless otherwise specifically ordered by the Court, all payments under this paragraph as to that collateral or principal residence including arrearage payments will cease, and all secured claims based on that collateral will no longer be treated by the Plan. The final column includes only payments disbursed by the Trustee rather than by the Debtor(s).

No late charges, fees or other monetary amounts shall be assessed due to the timing of any payments made by the Trustee under the Plan.

[] 3.2.2 Requests for valuation of collateral and modification of undersecured claims.

This subsection will be effective only if the box at Section 1.2 of this Plan is checked.

The Debtor(s) request that the Court determine the value of collateral secured by the claims listed below with respect to non-governmental units. For each non-governmental secured claim listed below, the Debtor(s) state that the amount of the

secured claim should be determined to be the amount stated in the column headed "Amount of Secured Claim." For secured claims of governmental units, unless otherwise ordered by the Court, the amount of a secured claim listed in a timely filed proof of claim controls over any contrary amount listed below. The amount stated below in the "Monthly Payments and Number of Payments" column for each secured creditor shall be binding on that creditor, including governmental units, under 11 U.S.C. § 1327(a).

The portion of any allowed claim that exceeds the amount of the secured claim as determined under this Section of the Plan, will be treated as an unsecured claim under Part 5, § 5.2 of this Plan. If the amount of a creditor's secured claim is listed below as having no value, or if the creditor files its claim as an unsecured claim, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 5, § 5.2 of this Plan.

The holder of any claim listed below as having value in the column headed "Amount of secured claim" will retain the lien on the property securing such claim until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or
- (b) discharge of the underlying debt under 11 U.S.C. § 1328, at which time the lien will terminate and be released by the creditor.

These claims will be paid in full under the Plan with interest at the rate stated below. These payments will be disbursed by the Trustee. All property of the estate under 11 U.S.C. §§ 541 and 1306 at the time of confirmation of this Plan, and all property thereafter acquired and included in the estate under 11 U.S.C. § 1306, shall remain property of the estate until removed from the estate by statute or by separate order. The Debtor(s) shall remain in possession of property of the estate and be responsible for insuring and preserving it.
 - B. If in effect at confirmation, and unless otherwise terminated as provided for in Part 3, § 3.6 above, the automatic stay provided in 11 U.S.C. § 362(a) and the codebtor stay provided in 11 U.S.C. § 1301(a) shall remain in full force and effect until terminated or modified by statute or by order of the Court.
 - C. Confirmation of this Plan shall serve as a determination that the Debtor(s) have satisfactorily complied with 11 U.S.C. § 521(a) and the case shall not thereafter be subject to dismissal under 11 U.S.C. § 521(j).
 - D. The Debtor(s) shall not incur any debts without prior approval of the Court, except as may be necessary for emergency medical care in circumstances where prior approval is not practical.
 - E. If a priority or secured claim, including a mortgage arrearage claim, is filed for or amended to an amount less than the amount provided for in this Plan, the Trustee is authorized to pay the lesser amount.
 - F. If relief from the automatic stay is ordered as to any item of collateral securing a claim being paid under this Plan, then, unless otherwise specifically ordered by the Court, all payments to that secured creditor with respect to that claim will cease, and the Trustee is authorized to disburse any funds that the creditor would otherwise have been entitled to receive to other creditors under the Plan.
 - G. If this Plan is a modified Plan filed under 11 U.S.C. §1329(a), then all payments made by the Debtor(s) and all disbursements made by the Trustee prior to the confirmation of this Plan are incorporated herein and supersede any other provision contained herein.
